**Case Study:** Retail Inventory – Motorcycle Equipment Retailer

A motorcycle equipment retailer needed an **accurate and complete detail of all stock** held within all the stores and the central warehouse

# MOTORCYCLE EQUIPMENT STORE AND WAREHOUSE INVENTORIES

## Case Study: Retail Inventory – Motorcycle Equipment Retailer

A retailer that are European leaders in the distribution of motorcycle equipment, with 30 years of experience in the sector required the support of RGIS. The motorcycle equipment retailer has 12 centres throughout the Iberian Peninsula, in the cities of Madrid, Barcelona, Valencia, Málaga, Zaragoza, Solsona and Andorra la Vella, as well as a global online store offering motorcycle clothing, accessories and cycling equipment.

### REQUIREMENT

The motorcycle equipment retailer needed an accurate and complete detail of all stock held within all the stores and the central warehouse, so required RGIS to provide the following:

- Count all **12 stores and the central warehouse**
- Have **consistent reporting** across all stores and the warehouse
- **Accuracy** to be a priority
- **Quick turnaround** required; all counts to be completed within two weeks

### SOLUTION

The motorcycle equipment retailer partnered with RGIS to complete the **full estate including warehouse stock count project**, and provided the following:

- Scheduled teams of **six experienced RGIS auditors** for each store
- Scheduled a team of **19 experienced RGIS auditors** for the central warehouse
- **Checked all variances** with store and warehouse staff
- **Counted all items** in stores and warehouse

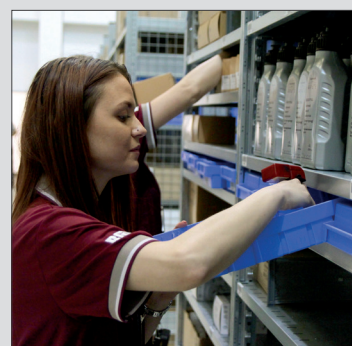

### RESULTS

The motorcycle equipment retailer found by outsourcing the **full estate including warehouse stock count project** to RGIS, the following results were achieved:

- **Accurate reports** were received from all the stores and the central warehouse
- Accuracy levels achieved were to the **customer's satisfaction**
- The customer was able to see the **net worth of the stock** held at all locations
- Counts were **completed within two weeks**, which was only three weeks after the initial request for support

By partnering with RGIS, the motorcycle equipment retailer found that they were able to accurately see the **net worth of the stock** held at all locations
